7th November 2022

## The College of the Holy Spirit

Despite the efforts of all concerned, the trading position of The College of the Holy Spirit has become unsustainable due to increasing financial losses.

The Board of Island Retreats Ltd has therefore asked its parent body, the Standing Committee of the Diocese, to make a decision about the future running of the College.

The Standing Committee has decided a period of closure is necessary in order to reassess how the College will operate in the future.

We are therefore closing the College from 30<sup>th</sup> November 2022.

The decision does not in any way affect the Mission and Ministry of the Cathedral of The Isles.
